

It's a new year and we are gearing up to give you the best live-music, drinks and bar food we can. Like last year, we expect 2021 will be unpredictable due to the ongoing and ever-changing COVID-19 situation. We have spent a lot of time and effort making sure our COVID safe plans are up-to-date and easy to understand.

Key points include:

- continuing to prioritise our cleaning and sanitary processes
- ensuring all guests sign in / use app
- ensuring staff wear facemasks at all times and encouraging guest to do the same
- making live music gigs ticketed events
- monitoring social distancing at all times, inside and out
- reinforcing the message that while inside all guests should remain in their allocated seats.
- ensuring guests understand they are not permitted to roam freely around the bar, dance or sing along
- encouraging the use of cards rather than cash
- enforcing conditions of entry requirements.
